

BIBLIOGRAPHY CLIMATE EPISODES

Lady H Society

NOTE

I try to share primary sources as much as I can: not an article citing a science paper but rather the science paper directly for example

A couple of suggestions:

- Haut Conseil pour le Climat (English part of the website) : <https://www.hautconseilclimat.fr/en/>
- A summary of the book « This changes everything » from Naomi Klein, which has been a pillar of my understanding of climate geopolitics: will be online soon
